ABOUT RAISA

Raisa has been teaching classes and holding workshops around Bohol [Tagbilaran, Baclayon, Lila, Bilar, Loon, Panglao and Anda] since 2014, always aiming to make the classes challenging yet fun and, of course, safe all at the same time.

She has a passion for arm balances and inversions and loves incorporating them in her classes. She also loves the art of acro yoga as this practice takes you outside of yourself and gets you to connect with fellow yogis.

She has led many 108 Surya Namaskar [Sun Salutations] sessions firmly believing that a yoga practitioner gains more energy and mental fortitude to finish this moving meditation when practicing with a community. Her passion for yoga runs deep as she commits herself to a lifetime practice of yoga: educating herself continuously through classes, workshops, conferences and trainings. She believes wholeheartedly that her passion to teach and share the gift of yoga will last a lifetime.

Please note: For yoga classes with Raisa, we require a minimum of 14 days notice before your check-in date.

WE ALSO HOST "YOUR OWN YOGA RETREAT"

We accommodate private yoga classes: you can bring your own instructor and fellow yogis if you book a minimum of 2 nights. T&Cs apply.
